Treasurer's Annual Report - 2022

I am Mike Paddock, your treasurer. Our By-Laws require we share with you an annual report. Most of the items we must report to you fall within my responsibilities.

My report covers January 1, 2021 through December 31, 2021. My report is "cash basis".

1. Capital Expenditures in Excess of \$5,000.

We replaced the big pool heater	\$24,336.
---------------------------------	-----------

2. Status of Reserve Accounts.

We have two reserve accounts:

- a. Insurance Deductible. Our insurance policy has a \$2,500 deductible. To ensure we always have the cash to pay the deductible your officers established this account. It has \$2,500 in it.
- b. Asset Replacement. Our pool complex has several items which wear out over time and will cost a substantial amount to repair or replace. This reserve fund has \$40,956 which is "on plan" to have adequate funds in the future. To keep our pool facility in good operating condition we need to contribute about \$26,221 to the fund this year.

None of these funds are specifically earmarked for any specific item. We deal with this on a global basis.
